Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The amendment and remarks herein respond to the final Office Action dated February 28, 2007. A petition for a one-month extension of time was submitted on June 28, 2007, and a petition for a second one month extension of time is filed concurrently herewith. Hence, the period for response should now run up to and including Monday, July 30, 2007.

A request for continued examination (RCE) was filed on June 28, 2007, but that RCE lacked an accompanying submission. The amendment and remarks herein provide the required submission, therefore the RCE should now be complete, formal and fully responsive; and Applicants have concurrently renewed their request that the Patent Office grant the RCE, in view of this submission.

Please amend the above-identified application as set forth below.
